

**Designed in the world, made in Italy.**

**We are guided  
by a project  
culture.**

# COMMIT MENT

A long tradition of commitment  
and passion has led us to become  
an international point of reference.

# PAS SION

# Frosted Glass: A product created by OmniDecor.

Panes of multiple  
dimensions,  
frosted on one  
or both sides.

# DECORATED GLASS

Frosting technique meets  
pattern and texture

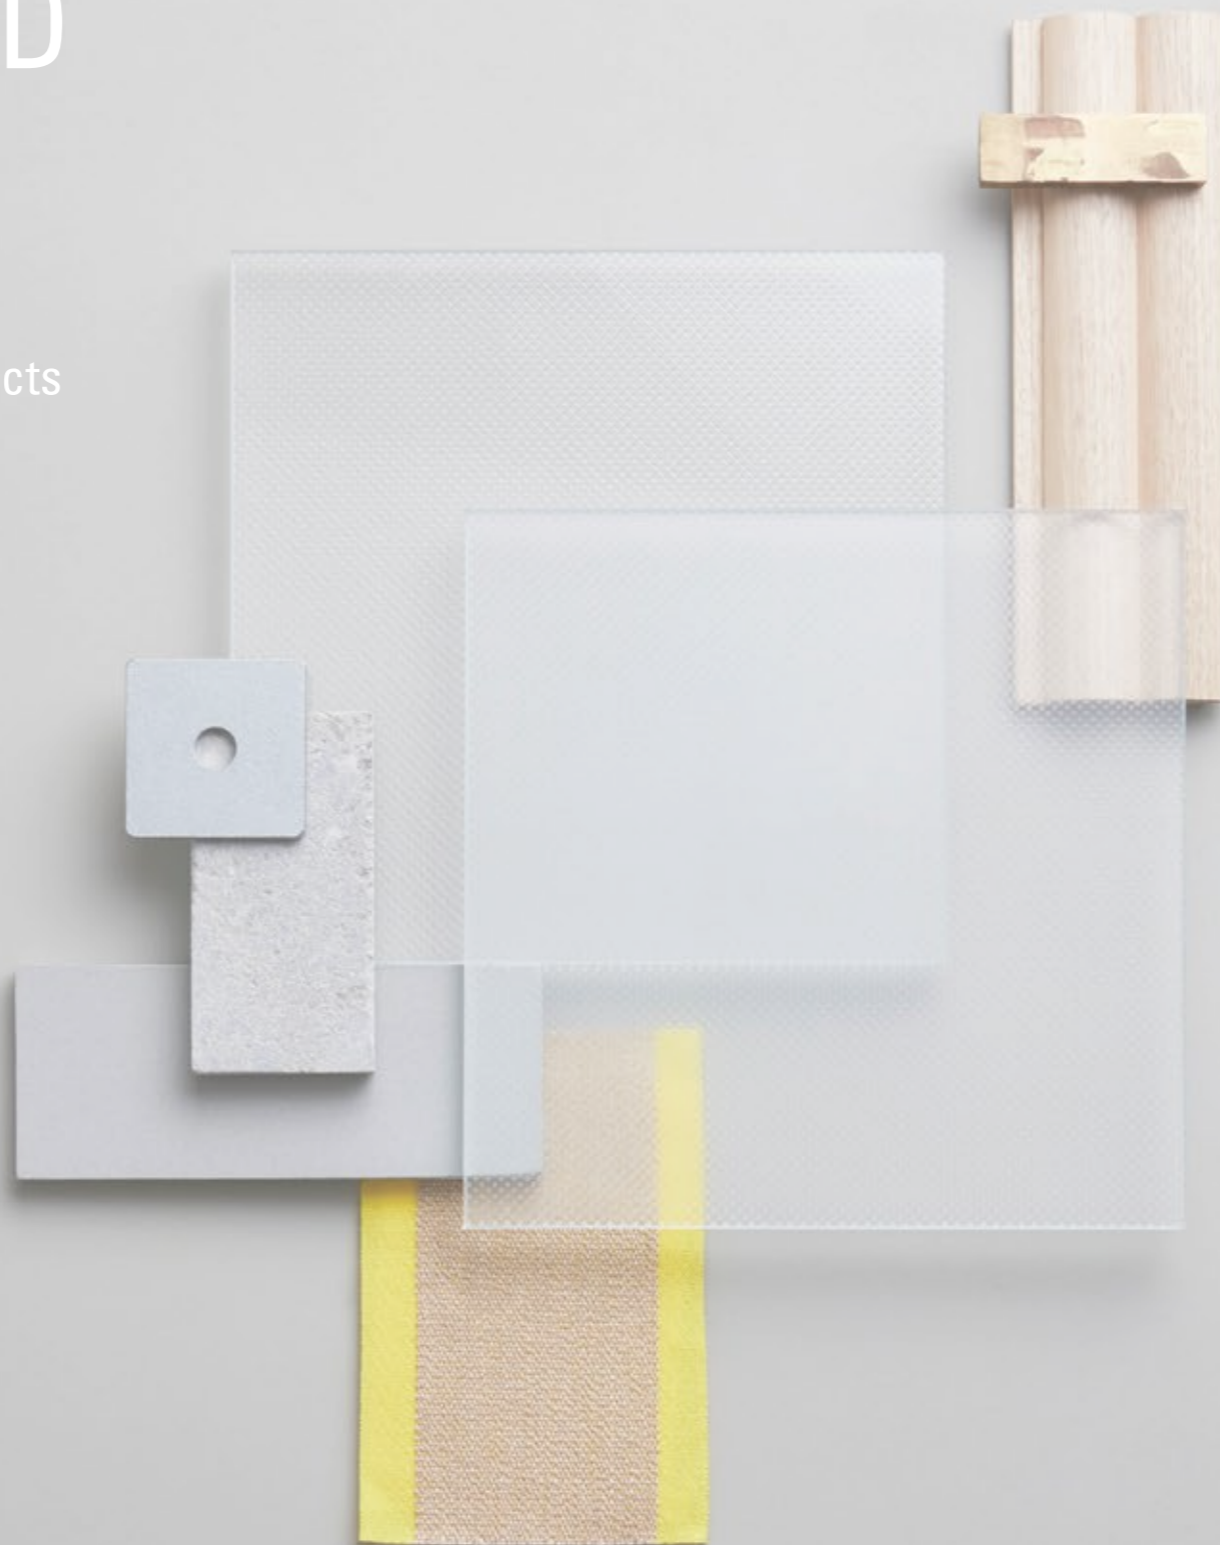

# COLORED GLASS

Colored surfaces  
with different  
technical characteristics

# TEXTURED GLASS

Glass with engraved  
textured surfaces  
and tridimensional effects

# GLASS AND LIGHT

Light meets glass

# ARCHI TECTURE

Architecture and Design  
is our “frame of reference”.

# DE SIGN

A photograph of a modern building facade featuring a grid of glass panels. The panels are arranged in a regular pattern and reflect the sky and clouds. The text "From facades to balustrades" is overlaid in the center in a white, serif font.

**From facades to balustrades**

# From stairways to floors

# From walls to partitions

# From furniture to accessories

# From bathroom décor to lighting

We work for contractors  
and for the most exclusive  
points-of-sale all over the world.
